

## About our classes

**Ages / Levels** Our classes are offered in a variety of skill levels and age divisions. Introductory, Dance and Movement for Actors, Beginner/Intermediate, Intermediate, Advanced, and Pre-Professional. It can be very confusing trying to choose a class with so many different options available. How do you decide which class would best suit your child's interest and level of experience as well as which class will actually fit into your schedule. That is why we are here. Please do not hesitate to email or call us. We would love to help you choose what is the best fit for you your dancer and your family. [jane@januarywolfe.com](mailto:jane@januarywolfe.com) Our office manager or myself will be glad to talk you through it!

**Can I register online now?** Yes. We have several classes you can register for right now. These classes are marked with a <> in the schedule below. If the class you are interested in isn't marked <> then just call us or email us and we can take care of it for you.

**Mix and Match-** For your convenience we try to group classes together in a way that allows siblings to take class at the same time and can allow a child to take two classes back to back. For example: your youngest child might take a Rockin' Robin Hip Hop class while your oldest child takes a Modern Jazz class, both at the same time. And because we have two locations, families will sometimes take classes in both locations in order to work with a certain teacher or style that fits their schedule best
